### 2. **SCC students completing the Associate in Fine Arts can take additional general education classes at SCC that satisfy WCU's Liberal Studies requirements. Students can take all available liberal studies equivalent courses at SCC prior to enrolling at WCU to save money and still receive financial aid at SCC. They can do this by:**

- a. Taking an additional general education course during the fourth and fifth semesters at SCC
- b. Enrolling in general education courses the summer and/or fall after completing the AFA degree prior to starting at WCU.

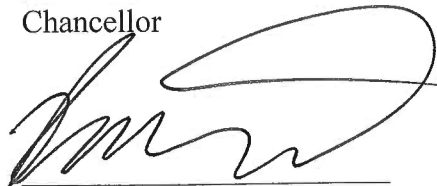

Articulation agreement between Southwestern Community College and Western Carolina University for transfer of credit from the Associate in Fine Art degree at SCC to the Bachelor in Fine Art with a concentration in Graphic Design at WCU.

- A. SCC students will be admitted as candidates for the articulation program in Bachelor of Fine Arts with a concentration in Graphic Design upon completion of the Associate in Fine Arts degree at SCC. Students must submit a portfolio for review prior to completing 75 hours.
- B. To graduate from Western with the BFA with a graphic design concentration all students must complete the degree requirements per academic regulations listed in the Record, the WCU Undergraduate Catalog.
- C. Students wishing to graduate with a BFA degree with a concentration in Graphic Design must meet all residency requirements for graduation from WCU, which includes completion of the last 25% of course work to be taken at WCU.
- D. This agreement will run continually without need for renewal. Updates to the agreement will be initiated and processed every two years. The update process will be completed as follows: copies of the agreement will be distributed to deans and department heads by February 1 of each update year. Updates or "no change" approvals to this agreement should be returned by March 15. If curriculum changes are identified by either institution during the review process, parties from both institutions will review and approve the proposed changes and make necessary updates to the course equivalency outline.
- E. Either party upon written notice can terminate this agreement. If the agreement is terminated, SCC students who have matriculated at WCU can continue until completion of the baccalaureate degree if they are continuously enrolled at Western. Also, students who are enrolled at SCC at the time may continue under the terms of the agreement as long as they are continuously enrolled. If the student ceases enrollment for two regular academic semesters, he/she must re-enroll under the most recently adopted agreement.
